PURCHASE ASSISTANCE

1. Maximum assistance for home purchase is **up to \$140,000**. (Depending on household income. See income chart below and assistance levels on Page 10).
2. Applicants will be able to find their own property within the City's target area. Please see page 3 for the target area map.

6. Properties for purchase must meet NSP guidelines. Single-family detached homes, condos, town homes and villas are eligible. NSP requires that the property must be least 60 days delinquent on its mortgage and the owner **has been notified; or** the property owner is 90 days or more delinquent on tax payments; or under state or local law, foreclosure proceedings have been initiated **or** completed; **or** foreclosure proceedings have been completed and title has been transferred to an intermediary aggregator or servicer that is not an NSP grantee, subrecipient, developer, or end user. Bank approved short sales, that meet these requirements will also be accepted.
7. Applications will be accepted during the open enrollment period or until sufficient applications are received.

11. Assistance for repair is **budgeted for an average of \$60,000**. (Depending on household income, see chart below & Pg.10) Repair costs may exceed \$60,000 for extreme circumstances on a case-by-case basis.
12. For households who purchase an NSP eligible property on their own or with the assistance of their agent, the City will make available additional NSP funds to address repairs. You will sign a separate mortgage for repair.
13. Within 48 hours of the closing, CRA will order and inspection to develop a comprehensive set of work specifications to begin the repairs of your home. The City’s pool of general contractors will be invited to bid on your home repair project. The lowest, most responsive bidder will be assigned the project.
14. When the purchase transaction is completed and the housing unit has transitioned to home repair assistance, applicants are not to begin their own repairs or remodeling, if receiving home repair assistance from the City. The property must remain in the condition it was purchased in for the program to properly budget for and address repairs.

*Please be aware that depending on the condition of the home, you may not be able to occupy the unit right away or during the repair process. You may have to arrange to live elsewhere until the unit is habitable. Some repairs can take several months to complete. The following map indicates the target census tracts in the City of Miramar where NSP funds will be used to stabilize neighborhoods.

Figure 1: NSP Revised Target Area – South of Pembroke Road, North of Countyline Road, West of State Road 7 and East of Palm Avenue

All properties purchased with NSP funds must meet NSP guidelines in order to be considered eligible. NSP funds **cannot** be used as foreclosure prevention to assist you with staying in your current property. The terms of the City’s purchase assistance program are outlined on the following pages.

CITY OF MIRAMAR NEIGHBORHOOD STABILIZATION PROGRAM (NSP) PURCHASE/HOME REPAIR ASSISTANCE PROGRAM DISCLOSURES

City of Miramar NSP Purchase and Home Repair Assistance Process

1. Read, understand and sign program application disclosures. Signed disclosures must accompany application.
2. Be pre-qualified/pre approved by a participating lender.
3. Schedule an appointment with Community Redevelopment Associates of Florida, Inc.(CRA) to submit your completed application.
4. Your application will receive an initial review from CRA and you will receive a pre-award letter acknowledging receipt of your application. This does not reserve funding for you and all information presented will be verified. Funds will not be reserved until an executed contract is received. A final approval is based on the verification of income and NSP property eligibility.
5. Once your application is submitted to CRA, you will be responsible for finding an NSP eligible property within the target area.
6. All purchase contracts must contain the program's required addendum which outlines program conditions and disclosures. Program requirements must be acknowledged by both buyer and seller.
7. Once your offer for purchase is accepted on the property of your choice, you will need to order your own appraisal and property inspection.
8. Executed contracts must be forwarded to CRA to review property eligibility and reserve funding. CRA will stop accepting applications once NSP funds are committed. Funds are on a first come, first qualified basis.
9. Your lender will need your executed purchase contract to finish processing your loan.
10. You will be required to attend and satisfactorily complete a HUD Approved 8 Hour Homebuyer's Education Class. We advise you do this as early as possible to help you understand the home buying process. It is valid for 12 months. This must be on file before your scheduled closing.
11. Once your purchase transaction is complete, the property will immediately transition to the home repair process.
12. Within 48 hours of the closing, CRA will order an inspection to develop a comprehensive set of work specifications to begin the repairs of your home. The City's pool of general contractors will be invited to bid on your home repair project. The lowest, most responsive bidder will be assigned the project.
13. Once repair costs are determined, you will sign a mortgage and promissory note for the home repair assistance.
14. If you are receiving repair assistance from the City, do not start any major or minor repair work on your own. Your property was approved for assistance based on the condition it was in at the time of closing.
15. Please be aware that depending on the condition of the home, you may not be able to occupy the unit right away or during the repair process. You may have to arrange to live elsewhere until the unit is habitable. Some repairs can take several months to complete. The home must be accessible during the weekdays so that contractors can complete the repairs.

Mortgage Pre-Qualification/Pre-Approval Required

Community Redevelopment Associates of Florida, Inc. will not be able to accept an application without a pre-qualification/pre-approval letter from one of the approved lenders in the lenders consortium. The lender will require you to complete a loan application and will review your credit, income and other standard loan information to determine if you qualify for a mortgage and how much you are able to afford. Members of the lenders consortium have agreed to provide mortgages to qualified borrowers at preferential rates and terms. Interest rates, loan amounts and terms of any loan are subject to negotiation between lender and borrower. Throughout the process, the lender who pre-qualified you may request additional information from you to complete the loan application. You must be determined both income eligible for the purchase assistance program and able to secure a loan to receive assistance from the City.

Income Certification Process

A third party will verify all household income information. The verification is required to determine your eligibility for assistance under NSP program guidelines. If you qualify for assistance, your income will be certified and you will a notice of eligibility. Should your income change after you were determined income eligible and assistance has not yet been provided, your program eligibility will have to be recertified.

Finding a NSP Eligible Property

With your pre-award letter from CRA and pre-qualification/approval from a lender, you will be responsible for finding a NSP eligible property. All properties must have an appraisal that is no older than 60 days, a roof inspection, termite inspection and other inspections that may be determined under the program. All sales contracts will require the completion of the "NSP Eligible Property Addendum." Once your contract to purchase has been accepted, you will need to work with your lender to finalize your mortgage process.

NSP may provide additional assistance to address minor home repairs in the unit as identified during the inspection process. You must close on the property and possess title to property to receive NSP home repair assistance.

CRA of Florida reviews all final loan packages and inspection reports to determine program eligibility. All loan documentation, sales contracts and property inspections will be forwarded to CRA of Florida by your lender. Once you have received a mortgage commitment from your lender, you must be sure that CRA of Florida receives a copy of your HUD 1 closing statement at least **48 hours** prior to closing to enable final compliance review with NSP program rules.
